Examiner's signature, if required

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Bauer expressed that the term "packet" is well defined in the specification by pointing out to the specification page 1, last paragraph in response to Examiner's rejection under 35 USC 112, first paragraph. Examiner finds conflicting information even within that same paragraph. Mr. Bauer also expressed that there is no argument to be made on his part because he feels that the last office action was not proper, and urged examiner to respond to his argument made in the last communication. Examiner advised Mr. Bauser to respond to the office action whether he agrees or disagrees with the examiner's position.
